

Grand Reopening Open House

Sunday, February 19, 2017, 1-3pm

Ribbon Cutting Ceremony 1pm

Join us at a ribbon cutting ceremony as we celebrate the reopening of the updated Lincolnwood Public Library! Immediately following the ribbon cutting, the day will be filled with fun opportunities to get to know your newly renovated Library.

Mr. & Mrs. Lincoln

As part of our grand reopening, Mr. Abraham Lincoln and Mrs. Mary Todd Lincoln will make an appearance. Take photos and interact with the former President and First Lady's likeness during this "historic" opportunity.

Ice Carving Demonstration

Join us outside or take a peek from the Cafe window to enjoy an ice carving demonstration by Nadeau's Ice Sculptures. Watch as artists create a one of a kind work of art just for Lincolnwood!

#tag Printer Photo Booth

Take pictures around the Library during the event or stop by our photo booth. Tag your photos with [#lincolnwoodlibrary](#) on social media to have your photos printed out to take home as a souvenir!

Harpist Alyssa Hensley

Alyssa Hensley from Old Town School of Folk Music will be performing a beautiful set of harp music. Enjoy songs played on the oldest known string instrument.

Resource Demonstrations

To learn more about the different digital resources we offer to Lincolnwood Library cardholders, ask any of our Librarians for a demonstration.

Purple Brick Raffle

Go home with a piece of Lincolnwood history! We will be raffling off a brick from the famous Lincolnwood Purple Hotel. All you need to enter the raffle is a valid Lincolnwood resident library card.

Scavenger Hunt

Get to know your new space with an interactive scavenger hunt in the renovated library! Visit as many checkpoints as you can to earn a great prize!

The Great Boodini

Watch the Great Boodini perform balloon art magic! The Great Boodini was the recipient of the 2015 Magician of the Year Award.

Never-Ending Storytime

Join Youth Librarians for back-to-back stories. Storytime will last the entire duration of the reopening event and will showcase some of our storytime favorites!

Love My Library Notes

Write some of your favorite Library memories or what you love about the renovation on the note wall to be a part of this historic day!

Refreshments

Stop by our coffee and hot cocoa station and check out our Cafe, where you can enjoy a treat!
